 - Board President convened the meeting at 7 pm.
 - Introductions of the Board and CR residents attending meeting were conducted.
 - Board elections were held. Two new members were elected: Fred Herber and Chris Hogue.
 - Board President (Mark Crawford) discussed 2009 accomplishments and 2010 plans for landscaping, maintenance and capital improvements.
 - Landscape Manager (Jerry Larson) discussed landscaping issues for 2009 and 2010. One major change is a switch to a new landscaper, Rich Landscaping, effective 1/1/2010.
 - Board President (Mark Crawford) and Treasurer (Mae Wisor) presented and discussed CR's financials for 2009 budget and actual and the planned 2010 budget.
 - Current ACC chair (Rob Thompson) is moving. The Board is still looking for a volunteer to fill this position. The HOA needs volunteers for the Architectural Committee (ACC). The ACC is a vital committee responsible for reviewing modification requests to ensure that submitted modification requests meet the CCR requirements. The ACC works best with two or three members who work together as a team. Contact the Board if you are interested.
 - Meeting adjourned at 9 pm.
